

ZAP Arts

ZAP Arts is a weekly art club for members of the local community with experience of mental health issues.

Hosted by Richmond Fellowship in Poole Park, these free workshops (18+) cover a range of art techniques and are led by highly experienced community artists from ZooFish Arts CIC.

So far we have explored print making, photography, ceramics, life drawing, painting, sculpture, animation, stone carving.... and we haven't run out of ideas yet!

Interested in trying your hand at a range of art and craft forms in a friendly and understanding small group environment ?

Two sessions a week:

Monday 10 -1 *from 22/2/16*

Thursday 10 -1 *from 11/2/16*

Find us at **Eastgate Lodge** right inside the Park Gates entrance to Poole Park, opposite the Civic Centre. Just ring the doorbell...

Come along and give it a try...
